Holiday Market
MARKETPLACE • COMMUNITY • CELEBRATION

From Kimberly
You’ve worked hard to be here; hours in the studio or kitchen, promoting your business, packing your display and products, schlepping stuff, setting up. Now take a moment to relax, take some deep breaths; look at what you and your fellow members have created. This beautiful market is yours. Open yourself up to the possibilities this opening weekend.

Wishing you a fruitful show!
Kimberly

Fire Inspection
The fire inspection takes place before noon on Saturday. The inspector may ask to see your fire extinguisher to check the date and gauge or to see proof of fire retardant. Also your electrical cord configuration is very important. Please be in your booth, and cooperative.

Stock Must Be Removed
Remember that all stock must be removed from your booth by 9 pm on Sunday night. If you are selling next weekend, your booth structure and furniture may stay.

Office/Market Schedule
The office will be open only on Wednesday next week from 10 am–4 pm. The building will be open for set up from 12 pm–7 pm on Wednesday. The building will not be open at all on Thanksgiving Day, but there will be security, so you can set up and leave your stock. The building will be open for vendors at 7 am next Friday.

Customers Will Ask About Elves...
Because customers will ask you about elves, here are details that will help you answer questions: Our special promotion for Opening Weekend is a game called “I Spy Elves.” At least 30 Market members have elves - many but not all are up for adoption. Those who find at least 20 elves will have a chance to win a $100 gift certificate. Market members are not eligible to win ornaments, elves or the gift certificate.

Consider Running for the Board, Deadline is Weds.
It’s time to consider running for the Market’s Board of Directors. Three eighteen month positions will be open for the December 10-11 election. You must have attended one Board meeting in the 12 months before the election to be eligible. This includes the board meeting on December 7. Candidate statements are due in the office via drop off, mail or email by Wednesday, Nov. 23.

Here Only This Weekend?
Remember to let your customers know if this is your only weekend selling, or if you are not coming back until the last three days. Many folks assume that everyone is here all the time and will come looking for you later, so capture those sales today!

Credit Card Transactions
We are pleased to provide the service of credit card transactions to facilitate your sales. We take Visa, Mastercard, American Express and Discover. There are full instruction and visa slips for your use in the Vendor Service Center. Complete the form with your full first and last name, NOT your business name or your boothspinner's name. In order to assist your customer in getting back to your booth, we have color coded the slips to match your area of the room. Keep your slips each day to confirm that your check is correct. The checks for this weekend will be available in the Vendor Service Center on Friday, November 25. If you are not selling on Thanksgiving weekend, we will mail your checks to the address we have on file for you.

Remove Tape, Please!
If you are in the same space for the entire show, help us out and pull your tape off the floor once you are sure you are in the right location. At the end of the Holiday Market, we are required to pull all the tape off of the floor and tape that has been in place for six weeks can be kind of hard to remove. Thanks for your help!

Important Parking Info
Park your vehicle in the parking lot behind the building. The front parking lot is for customers. Don't leave anything in your car, as thefts do happen.
