Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From Beth
The Eugene Saturday Market is always goofy cool. You will find something new, engage in an important topic of the day and find a new idea for something to make. There is also something elastic about the footprint in that we always look like a destination. And people always come. It is a little bit magic and a lot of hard work mixed with inspiration, dedication and a powerful cycle of decades of creating what is THE premier public market in the country.

Thanks for being here before and thanks for being here now. See you next week! Have a lovely Saturday.
-Beth

From Kim
Today is my last Market day. Marketeers! I am both excited for my new adventures and sad to go. Fortunately, this is the kind of workplace where it won’t be weird for me to come back and hang around, so I won’t be a stranger! I picked my favorite Saturday of the year to be my grand finale, and I’m glad you’re here to share it with me. Don’t worry, I’m leaving you in excellent hands. Which brings me to this next announcement...

Welcome New Managers!!!
I am thrilled to announce that we have hired Kirsten Bolton as our new General Manager and Jacob Strouckel as our new Promo and Advertising Manager! Kirsten officially starts on July 11, and Jacob on July 20. Of course there will be more details and getting-to-know-you info forthcoming in the next couple of weeks, but for now just know that both are highly qualified and very excited to join the Market team. Jacob is actually on site today, starting to learn the ropes from Kim, so track them down and say hi!

We Will Be Depositing HM Initial Payment Checks Now
Contrary to the info on your HM renewal card, we will now be depositing checks for the minimum payment when received. If you need to make a smaller initial payment, make arrangements with Vanessa.
