**Good Morning Saturday Marketers!**

Did you know that summer is coming our way? It’s going to be another fabulous Saturday!  

As a reminder, The Information Booth opens every Saturday at 7 a.m. for member check-in. If you arrive earlier than that, then please be patient as the staff prepares their set-up routine. If you check in after 8:30 a.m. you will be placed at the bottom of the list regardless of your points. If you are a reserved member and know that you will miss this deadline, please call 541-686-8885 and let us know so we can pull your envelope. We do everything we can to accommodate our members but we have a schedule to keep so help us by communicating with us.

A new pod is being installed on Monday, June 25th. It will be placed on South Park St. on the Wells Fargo side of the street across from the 4x booth spaces.

The Oregon Country Fair is coming up and I wanted to remind you that Saturday Market will do Off-Site Visa transactions for Country Fair sales for our members. If you are interested in taking advantage of this service, please contact the office. I’ve heard from several members that Father’s Day sales were excellent. I’m hoping this weekend goes as well for all our members. Make it a great Saturday!

Happy Selling!

**Holiday Market Postcards, YAY!**

The Holiday Market reminder postcards went out in the mail on Friday. The online form is also available. If you are a current Market member, then you should get one. Even if you don’t see one, you can grab one at the Info Booth, at the office, or online at eugenesar saturdaymarket.org.

The deadline for Booth Holders of Record (BHOR) and those of you with more than 20 points, is July 20th. You have 48 hours to respond with a booth space choice once you are contacted by AJ. If we don’t hear from you, then we will assign you a space. If you are a BHOR and have a reason (vacations, etc.), then please let us know now.

You are required to return the post card with an initial payment of $225 for a Main Hall space, $125 for a Holiday Hall space, or $100 if you have less than 15 HM points. Remember, Holiday Market points are different than Saturday Market points, is July 20th. You have 48 hours to respond with a booth space choice once you are contacted by AJ. **M.V.P. Message**

Member. Volunteer. Partner.

By the time my husband and I joined the market in 1974 it was pretty well established. You showed up at about 3:30 to 4 am in the morning, because at that point there were no such things as a reserve space it was first come first serve. You put stuff on a spot and it was yours, but you had to keep an eye on it because people had a tendency to move stuff off of a good spot and put their stuff on it.

At about 8:30 or so the manager and assistant manager showed up. They weren’t full-time employ ees, we had no office and they only worked on a Sat urday. They gathered up 10 to 20 people, the more the better, to go to the lower level of the butterfly and bring up the info booth.

I don’t know how many of you have ever seen pic tures of or remember the old info Booth but it was an octagonal wooden Gypsy type of structure. It had big giant metal wheels on the sides but the actual way it rolled was on 4 metal casters, that had a ten dency to go whatever direction they really wanted to. And let me tell you it took a lot of effort to get that thing to roll up the ramp onto the butterfly. Rolling it down by the end of the day took even more people because you had to keep it from running rampant down the hill.

At this time we had no site staff, no office staff just Market members. We were just a bunch of people with a single goal in mind, make Saturday Mar ket the best we could. There was no money in the budget for anything. If you felt the market needed something you made it, tables and benches for the food booths were made by a member, Bob Waldon. My husband made a small stage, it was only a 4-foot square and only 3/12 inch thick but it was large enough to place for music. Everyone that could sew made flags to fly around the edges of the market.

The real reason for all of the reminiscing is to re mind everyone that we are a family. While we now have staff that takes care of setup and teardown there are many other ways that we can help our Mar ket family. Volunteering is a great way to help, either on a committee, running for the board, or just calling the office and offering to stick labels on Saturday mornings envelopes.

And one last thing, please remember to thank our staff. A quick thank you when you see them putting out signs and garbage containers or a “good morning” when you pick up your envelope or sign in is much appreciated. A “good job” to Kirsten and Courtney when they walk around checking for booth weights. And a me me take my picture to Vanessa as she’s advertising our amazing Market. We can do this together.

**Cheers!**  

Kirsten

**Give Your Customers a Free Gift**

One of the missions of the Street Team is to promote our fellow Market members. This is why we created the Guidebook. When one market member advertises they are promoting all Market members. We encourage you to hand out a handout on Saturday morning to give to your customers. Customers love free things and the Guidebook is a wonderful souvenir & tool for enjoying market. Open it up and show them where they are at - Your Booth! It’s a fabulous way to help them remember where they saw you earlier in the day or something free to give and an opening into conversation with your customers. Please feel free to take Guidebooks to your favorite hangouts and places you visit out of town. Help us spread the word about our amazing Market.

**Wish List Time!**

Today is the last day to go on the Mid-Season Wish List! We have reserve spaces 144 and 188 open as well as 135 & 139 as One-Year-Only spaces. We will use Waiting List points from today’s market. If you have asked to be added to the list during the last week, then we will contact you about these open spaces during the week. Please take a look at those spaces on the map today, and be ready to answer your phone when AJ calls.
