Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From Kirsten

Good Morning Saturday Marketers!
 Congratulations! You did it! Another successful Saturday Market season comes to a close today. I hope you enjoyed your time in the beautiful Park Blocks and your businesses thrived. We will miss seeing you every Saturday on the Park Blocks, but I look forward to seeing you at the Holiday Market where the temperature is always 70 degrees!

The Parcade will be closed today. Please park in the Overpark.

For those of you participating in Holiday Market, next week is load in week. Please review the Holiday Market Calendar for specifics on timing around loading in and out of your booth and merchandise. We have posted the calendar to our Facebook page and it's included in the newsletter below plus it's on our website at https://eugenesaturdaymarket.org/pdf-files/2019/HM19_calendar.pdf. If you have any questions, please contact the office at 541-686-8885 or at info@eugenesaturdaymarket.org.

Because it is load in week for the Holiday Market, the Market offices will be closed Monday and Tuesday, November 11th and 12th. We will be open Wednesday, November 13th, then closed again Thursday and Friday, November 14th and 15th. Member Services will be open Friday, November 15th, from 12pm until 7pm at the Lane Events Center.

Thought for the day... "Write it on your heart that every day is the best day in the year. He is rich who owns the day, and no one owns the day who allows it to be invaded with fret and anxiety. Finish every day and be done with it. You have done what you could. Some blunders and absurdities, no doubt crept in. Forget them as soon as you can, tomorrow is a new day; begin it well and serenely, with too high a spirit to be cumbered with your old nonsense. This new day is too dear, with its hopes and invitations, to waste a moment on the yesterdays." – Ralph Waldo Emerson

Have fun today!
 Kirsten

M.V.P. Message

Volunteer of the Month: Paula Eaton

When I was informed of this award, my first thought was that I am not worthy. I have since taken a more gracious view.

Thanks to Diane McWhorter, our archivist, who chose wonderful images for me to work with the community to view-now displayed at the downtown public library.

Thank you again for this recognition and award.

Annual Harvest Pot Luck

Next Friday during Holiday Market set up, we hope you'll take a break and share a meal with your fellow marketers and staff. Snacks and finger foods will be provided. We hope you'll bring a dish to share as well. We sit down to eat at 6pm. You can go back to setting up after taking this nice little breather.

Extreme Weather Policy

Our practice has been, that if you come down and sell, but later begin to suffer ill-effects from the weather and staying would compromise your health, you are permitted to pack up and leave early. Please inform your neighbors and the staff at the information booth of your need to leave and minimize disruption to Market as you make your way out. We understand that the threshold for extreme weather intolerance isn't the same for everyone. As a business owner, it is your right and responsibility to protect yourself and employees from harm. The important thing is that you came down to make a Market.

This policy also applies to your safety. If you feel that it is unsafe to stay at market, you are permitted to pack up and leave early. This is a common concern after daylight savings time takes effect and it is dark before 5pm. Please follow the procedure outlined above if you feel the need to leave early due to safety reasons.

IMPORTANT! Market Office Hours and Holiday Market Set Up Schedule for Next Week

Sustainability Zone

Being mindful towards Sustainability as we organize our booths to head inside for Holiday Market, please remember to Bring Your Own Mug for coffees, teas and other drinks. Its a great savings on the environment to use your own mugs. One other item to remember is to return the market forks and spoons to the available buckets during the market. We need every piece during Holiday Market. Saturday Market purchases those utensils so if we return them Market doesn't have to spend money to buy more next spring...thats a win win. Thank you for your mindfulness and we hope you have a great Holiday Market.

The Sustainability Committee:
 Julia Garretson, Denise Gosar, Elise Corin and Anna Lawrence.
