From Kirsten

Good Morning Saturday Marketers! Welcome back for another fabulous Saturday Market. June is just around the corner and the summer season will be underway. This is the time when Saturday Market hits its stride.

Next weekend is the Board Election! There are three seats opening up and you have four candidates running. Please read the Candidate Statements and reach out to the candidates. These are the future voices of the membership, so make sure you get to know these individuals before voting. Candidate Statements are available at the Information Booth. You can absentee vote if you know you won’t be at the June 5th market.

We are getting a lot of member questions about when we will be able to expand our booth footprint. What I can tell you is that once the County achieves a 65% vaccination rate we will be permanently moved into the low risk category and we will be able to expand to 75% capacity. Once the County hits 70% vaccination the entire risk metric system will be removed and we may be able to go back to our full capacity. I anticipate that someone in June we will be moved into the low risk category and hopefully sometime in July-August we will be able to get back to our normal operations, including music and recycling.

We are always looking for MVP Message submissions and would love to hear from you. Please consider writing an article that you think would benefit the membership. It can be anything from words of wisdom to marketing tools and techniques. There is a lot of market experience out there and we would love to have you share it with the membership.

Thought for the day… “Today you have a choice. You can choose between anger and love, division and unity, frustration and hope, selfishness and giving, turning away and showing up. Choose kindness and the choice is simple. It’s hard to regret being kind.” —Unknown

Happy Selling, Kirsten
