From Kirsten

Good Morning Saturday Marketers! Happy Summer! It's going to be another fabulous Saturday.

Tonight we hold our first Twilight Market in 44 years. Our Archivist, Diane McWhorter, found that we did Twilight Markets in 1975, 1976 & 1977. We have two more scheduled for this summer – July 10th and August 14th. If you are scheduled for tonight's Twilight Market please make sure you pay the $5 fee in your day Market envelope. There are no envelopes for the Twilight Market.

Good news is on the way...we will transition to either the 75% capacity map or the 100% capacity map on June 26th. We will make the final announcement on Sunday, June 25th. A fire inspection is scheduled for 9:30am on June 26th, so if you have a booth structure please have your 2A10BC (5 lbs.) fire extinguisher visible. Many thanks!

Thought for the day..."A satisfied life is better than a successful life because our success is measured by our own soul, satisfaction is measured by others. But our success is better than a successful life because our success is measured by our own soul, satisfaction is measured by others. But our success is better than a successful life because our success is measured by our own soul, satisfaction is measured by others. But our success..."

Happy Selling,
Kirsten

New Members

Now that we have more spaces becoming available, we are adding new members as fast as we can. We are holding two New Member Orientations and screenings every week until the end of June. We will work through our very long waiting list by screening 7-8 people at each meeting. Starting in August, we will go back to holding New Member Orientations on the first and third Wednesdays again. We have a lot of people interested in joining the Market that have waited patiently. This is great news for the future of Saturday Market.

Marketwide Mask Sale

Next Saturday, we will have a MarketWide Mask Sale. All mask makers that would like to lighten their stock can participate in the sale. We encourage all mask makers to come out and sell that day. You will be in charge of your sale prices. That means member participating in the sale can choose how to offer a discount. You can BOGO, you can do a percentage off like 25/50% off your masks, you can do a 2for$8, it’s up to you. You can even change your discounts as the day goes along. The choice is yours.

I suggest signs. Even a simple piece of paper that says SALE RIGHT HERE would get it done.

I have started promoting the sale in our public email newsletter as well as on social media and the website. Please email me at vanessaroy@eugenesaturdaymarket.org if you plan on participating in the mask sale. I will make a list of mask sales in advance plus promote you during that day.

I hope this is helpful and clarifications, messages to the classifieds, doodles, etc.

It’s actually starting to feel like summer out here ya’ll! Just in time for our first Twilight Market, Sunset is at 8:58pm. The high for today is 84 degrees with winds from the N at 10-20mph. Wait, did I just say 10-20mph? That’s flying pop-up wind! Weight those booths everyone! Maybe bring in extra weight. I hear Comoor sofas are heavy, there are also horseshoes, children, sacks of pennies, whatever you have laying around.
