Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From The Office

Good Morning Saturday Marketers!

It's another hot day out here, but the temps should not hit triple digits again this afternoon. Remember to stay hydrated and take shade breaks as needed. If you begin to feel ill due to the heat, then you can observe our extreme weather policy and leave early. Please let the info booth know you have to leave due to your health and do your best to pack quietly so as not to disturb your neighbors. This includes anyone staying to sell at Twilight Market.

On Wednesday, Governor Brown made a statement regarding the current surge of Covid-19 cases and hospitalizations. Oregonians age 5 and older are required to wear masks in all indoor public spaces starting Friday, August 13th, regardless of their vaccination status. The governor also is strongly encouraging residents to wear masks in crowded outdoor settings, but not requiring it. Starting today, staff is required to wear masks except while eating or drinking. While we are not requiring Members or shoppers to wear masks at this time, we encourage you all bring masks and to maintain safety.

The deadline for Booth Holders of Record to submit their Holiday Market applications and deposits was on Friday. If anyone missed the deadline, then please call us in the office this week so you don't lose your space. Booking starts Aug. 20th.

Thought for the day:

I learned there are troubles of more than one kind.

Some come from ahead, others come from behind.

But I've bought a big bat.

I'm all ready, you see.

Now my troubles are going to have trouble with me.

- Dr. Seuss

Saturday Market Archives

-From our Archivist Diane McWhorter

Lane County History Museum is accepting a sampling of our Covid-related modifications. I would like to give them a collection of the many types of masks people developed to meet the need (and we're not finished yet...). If you would like to donate one, please label it with your name and business name and get it to me in Saturday Market space #121 in the next two weeks.

If you made any special signs or other things that you want to have in the collection, or my archives for Market, please give them as well.

Buttons, t-shirts, whatever you have made.

Also, because we had to cancel our 50th Anniversary celebration, they want 50th-related things as well. Have any of your special 50th season logo items left? Thank you so much!

Thanks!

Diane

Downtown Developments Task Force

The city will be performing major construction on 8th Ave. starting in March of 2022. They are repaving and changing the street from a one-way to a two-way. They are removing the parking along the south side of the West Block and adding parking to the north side of 8th Ave. They are adding a wide bike lane and widening the sidewalks. They expect this construction to last into April and possibly into May.

We are reforming the Downtown Developments Task Force to plan how to adjust the Market during the construction as this will impact our opening day plans. Diane McWhorter has volunteered to act as chair of the task force. The first meeting is scheduled on Tuesday, Aug. 31st at 2pm. Please call the office or send an email to info@eugenesaturdaymarket.org declaring your interest.

In Loving Memory Barbara Irvine

Our friend and Market Member from 1989-2014 passed away recently. Barbara was a potter, a quilter and a photographer. Her husband Blair asked that donations in her name be made to the Kareng Fund. There is no service planned at this time.

In Loving Memory Peter Giamopoli

Our friend and Market Member from 1998-1999 passed away at the end of July. He was a sterling silver jewelry artist that sold at Oregon Country Fair for many years. His wife Luci is a clothing artist. He was described by his friend Kristine Levin as an absolute sweetie and he will be dearly missed.

In Loving Memory Louise Thompson-King 5/1/53-8/11/21

Our friend and Market Member from 2004 then again in 2008-9 passed away. She was a bead and leather artist that also made beaded paintings and floral garlands. Her favorite artist was Leonard Cohen, and she took comfort in his song Hallelujah. Her friend Marsha described her as the best friend on the planet. She is survived by her son Eli. Services are being planned.

The Kareng Fund

The Kareng Fund is an emergency relief fund set up to help low income, self-employed artisans and their families who experience a serious career threatening crisis. You can make a donation any time. Please specify your donation on the front of your payment envelope. You can "round up" your fees to easily donate a little each week. You can also help the Kareng Fund every time you purchase something from Amazon!

To contribute through Amazon, go to smile.amazon.com and search for "Kareng Fund". From that point forward, every purchase you make through Amazon will benefit the Kareng Fund.

Weather

I hope you had a chance to swim in the cold rivers or maybe bask in the shade of the woods or crank up the ol' A/C and binge watch Star Wars or set up a fort made of bedsheets in front of the fridge while quality controlling the ice cream. Today has cloudy skies with a high of 97 degrees and West winds at 9mph so not *too* bad for our last Twilight Market. I mean, it could be worse, we could also have to wear masks because of a resurgence in the global pandemic. Awe, dang!

sales, O sales, sales I hope!
