From Kimberly
This weekend at Market has a feel all its own.
Not everyone is at Oregon Country Fair. Some customers consider this their favorite Saturday Market of the season due to lighter crowds to navigate and often, pleasant weather. For those vendors who come and make a market; it’s an opportunity to take home more money – less divisions of the dough don’t ya’ know? 😊
Enjoy your day! - Kimberly

For Those Folks Adjacent a Lawn
If your booth is next to a lawn area and you use it to stow items or sit, please put down mats or plywood to protect the grass while you are there. The City works hard to keep the lawns looking nice and green, and the grass is getting damaged by overuse on the north and west sides of the “Secret Lawn” on the East Block. Lori from Park Maintenance thanks you for your help with this!

When You Send Us A Visa Slip...
When you send over a customer with a Visa slip, please fill it out correctly. In order to get you your money, we need you to write your whole first and last name, not your business name or just your initials. Please write legibly. This saves us time in the office sorting out which person to credit the payment to, or confusion if it ends up with the wrong person. Many thanks!

Doing Other Shows? Take a Poster!
Those of you who are out and about at other shows can do your Market a big favor (and yourself too) by taking one of our Saturday Market posters and putting it up in your booth. Maybe add a little “Find me at...” sign to the top! We also have the rack cards and business cards that you can take, to let folks know where you are once you get out of the “Fest Lane” and return to your home sweet Market home.

UnClassifieds
To place your free unclassified, bring it to the info booth by the end of the day, to the office by Thursday afternoon, or e-mail to kimstill@eugenessaturdaymarket.org, put “unclassified” in the subject line.
