From Kimberly

After the joint elected officials meeting last night, I am hopeful that this rare opportunity for joint planning between City and County in our Market neighborhood has the potential to yield results that will benefit citizens for years to come in the form of an improved Civic Center that includes updated government service buildings and supports Lane County Farmers Market and Saturday Market in the form of site enhancements.

I got a sense that a true willingness to collaborate and seize this opportunity pervaded the room. Talk of taking a holistic approach and being mindful of the long-lasting implications of decisions made in the next few months were expressed.

We have put a lot of trust in our elected officials. Their task at hand is a very complicated one. My sincere hope is that goodwill, focus on community, and thoughtful and inclusive planning will prevail as things continue to unfold.

Wishing you a wonderful market day,
Kimberly

Holiday Market Deadline Wednesday!

Dear Booth Holders of Record,

There are 92 of you that we have not yet heard from. You’ll make our whole process go more smoothly if we hear from you by the deadline, which is next Wednesday, July 20. Some of you may not have received your renewal card due to Post Office mysteriousness. Don’t let that stop you, renew online or pick up a renewal card at the Info Booth today.

Hi there, Members With 20+ Points.

If you have more than 20 points, it’s a good idea to get your application before July 20 as well, so you don’t loose your place in line to purchase until clos

You All Can Apply Online: On the eugenesaturdaymarket.org website, look under the “For Market Members” or the “Holiday Market” menu items. Booth Holders of Record and Non-Reserve Members have separate applications. Applications for folks who are not yet Market members will be available at the end of July.

New 48 Hour Time Limit: We have also instituted a new rule for everyone that you have 48 hours to respond with a booth space choice once you are contacted by Vi. If we don’t hear back in that time frame we will assign you a space.

Deposit: We require that you secure your space with an initial payment of $225 for a Main Hall space, $125 for a Holiday Hall, or $100 if you have less than 15 Holiday Market points. If you are a Booth Holder of Record, we will run your card or deposit your check immediately. If you are a Non-Reserve Vendor we will deposit your check/run your card after you have a space.

Points: Remember, Holiday Market points are different than Park Blocks points. Your points are printed on the label of your postcard. If you want to understand how we calculate Holiday Market points, you can get a points worksheet at the Info Booth or online on the applications page, the document is called “How Market Points Work.”

Market is Open Until 5 PM

Every bit of info we publish about Saturday Market says we’re open 10-5. When you start to obviously pack up your things at around 4 o’ something because you feel it’s slow, you are sending a message to customers that the whole place is closing up early, which makes those customers feel like they should be leaving too. Ask any long-time Marketeer about those late in the day sales that happen from time to time. It’s definitely worth keeping your wares available for purchase until closing time.

For Those Folks Adjacent a Lawn

If your booth is next to a lawn area and you use it to stow items or sit, please put down mats or plywood to protect the grass while you are there. The City works hard to keep the lawns looking nice and green, and the grass is getting damaged by over-use on the north and west sides of the “Secret Lawn” on the East Block.

Lori from Park Maintenance thanks you for your help with this!

When You Send Us A Visa Slip...

When you send over a custom order with a Visa slip, please fill it out correctly. In order to get you your money, we need you to write your whole first and last name, not your business name or just your initials. Please write legibly. This saves us time in the office sorting out which person to credit the payment to, or confusion if it ends up with the wrong person. Many thanks!
