Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From Kimberly
Way to go! Those of you who have braved the heat to come down and make a Market, you are Rockstars!
Take a twirl through the misters, dip your toesies in the kiddie pool, and make some sales.
Wishing you all deliciously cooling moments in your day.
Kimberly

Hot Day Etiquette
We sure do appreciate those of you who are here to sell today!
A reminder to all of you: Our practice has been, that if you come down and sell, but later begin to suffer ill-effects from the heat and staying would compromise your health, you are permitted to pack up and leave early. Please inform your neighbors and the staff at the information booth of your need to leave and minimize disruption to Market as you make your way out.
We understand that the threshold for heat tolerance isn’t the same for everyone. The important thing is that you came down to make a Market.
This is also a good time to be extra sharing/caring with neighbors. Share shade, trade off for breaks, make sure your neighbors are feeling OK as it heats up. When you need a cooling break, there is a kiddie pool for foot dunking on the West Block behind booths 168/169, a mister on the South Lawn (west block), one on the East Lawn (east block) and big fans and a spray bottle at the stage.

Holiday Market
Guidebook Ad Deadline - August 25th
The Guidebook is full and going to be spectacular!!! Thank you to all the vendors of the Street Team who have volunteered their time to create this opportunity for all of us!
The deadline for submitting the artwork for your ad is next Thursday, August 25th. To get all the details for the specs and more instructions visit the Street Team Blog at www.esmstreetteam.wordpress.com Email your finished ad to Heather Robbins-Hinton at earnesteforts@msn.com in a JPEG or PDF format.

Being Sensitive
The Standards Committee would like to remind you of our Market’s Craft Specific Guidelines for vendors of Body Care and other products that may be scented. Even though we are now in our outdoor season, our booths are back-to-back or downwind from each other and there is no escaping a strong scent. Whether you are selling lotions, soap, candles, or heat packs, be sensitive to those around you who have medical issues that may be triggered by your scented product.
A good practice of wrapping, using a covered display, or boxing your product, or even limiting the amount of products you have on your display may be all that is needed to remedy the situation.
Here is the current Scent Guideline:
- Scent: Members should be aware that strong scents can trigger asthma and other health problems. It is recognized that scent may be integral to the sale of a product. However, as scent may be difficult to contain, the Market requires that members whose product may have an impact beyond the confines of their booth be sensitive to the impact of their product on other members and the public. Members whose products generate member or public concern may be required to take mitigative actions.

The General Manager is charged with developing a process which may include but is not limited to changes in packaging, display, formulation or other actions deemed reasonable by the General Manager. If mitigation cannot be successfully accomplished the member may lose their right to sell the products in question. All final decisions by the General Manager may be appealed to the Board of Directors.

-Yours in Health and Happiness,
- Co-Chairs Teresa Pitzer and Paulette Richards

Committee Corner
The Standards Committee met last week and screened new members’ products. They worked out three more complex product issues, discussed sales of alcoholic beverages and tabled it until next year, and discussed scent again. Their next meeting will be Sept. 21.
Next week, the Street Team will meet at noon to work on the distribution of the HM Guidebooks, and the Survey Crew will meet at 2:30 to start formulating a membership survey.

Today in the Featured Food Producer Booth
Nut Fusions will be in the little blue Featured Food Producer Booth in the food court this week and next week. Nut Fusions sells peanut butter and nut-based marinades. Stop by and say hi!

Holiday Market Update
Vi is continuing the booking process, right now she’s contacting vendors with 10-14 points. She will be doing some booking on the Park Blocks today. Vi has been sending out preliminary emails with a helpful map as she nears each point range, so keep your eye on your email.

New 48 Hour Time Limit
We have instituted a new rule for everyone. You have 48 hours to respond with a booth space choice once you are contacted by Vi. If we don’t hear back in that time frame we will assign you a space.
