Linda Lamb, Kneedle Knacks, #458-210-5781

My name is Linda Lamb. I have been a member of the Saturday Market family for about 12 years. I have sold and taught several different art mediums, such as, jewelry making, chain mail, art dolls, pine needle basket making and needle felting.

I am retired now and have time on my hands for more creativity and to give back to my beloved Market family.

I would like to run for a position on the Saturday Market Board of Directors.

Thank you,
Linda Lamb

Tym Mazet, Mazet Studios, See Me at HM Booth#165

As a family market member and customer I have been engaged with the Saturday Market since the early 70's. I first fell in love with the market when it was still on the butterfly lot! I have encouraged and assisted my sons over the years with their art - pottery and glass blowing. During this last year I joined as a member in my own right.

In the past few years I have become an active volunteer and served a short 6 month "fill in" on the board, served on the hiring committee for our new

GM, and currently continue to serve as the Treasurer, on the Budget Committee and the Standards Committee. I was October Volunteer of the Month!

During the last fifteen years I have been involved with all aspects of my sons' glass blowing business. I have worked closely with many artists, including operating the Imagine Gallery for eight years. I also served on the Eugene 1st Friday Art Walk committee. I have a Graphic Design Degree from LCC. I love to water color, and enjoy a variety of crafts. I love working with other artists and learning about their passions.

As we move into our busy 50th season at the Saturday Market, I bring to the board a solid business background, good ideas, common sense and a broad knowledge and appreciation for a variety of arts and crafts. I enjoy working with all market members old and new! If this is the kind of person you would like on your board - I will appreciate your vote!

Thank You,
Tym Mazet

I encourage all of you as Market members to volunteer and give back to Saturday Market. Our involvement keeps us strong and vibrant. Thank you for your vote.

Colleen Bauman, Dana's Cheesecake Bakery, Booth #F16

I started selling my pine needle baskets at the Market, in 1978. The next year, December 9th, 1979, outdoors on the Butterfly Parking Lot, on a cold winter's day, Dana and I sold our first slice of cheesecake, and our first cup of good, hot coffee. We've sold at pretty much every Market since that December day.

We've raised our daughter here, surrounded by friends and a supportive community. The Market community is such a gift and a central part of our lives. I believe it takes all of us to make a

Market, from our newest member to our eldest; we are stronger together. I have served on the board before, and currently serve on the Holiday Market Committee, Standards Committee, and the Food Court Committee. I've served many of you cake and coffee, and now I respectfully ask for your vote so I can serve you on the board. I welcome any questions, and love to talk about the market anytime.

Thank you,

Anna Lawrence- Anna's Haute Tops. Booth #225

I am throwing my hat into the ring to run for a board position.

This year is my 10th year as an apron maker at Sat. Mkt. It has been an amazing experience being part of this Family. Its been hard, fun, great, funny, very sad, and experiential. I am still becoming a better business person with each year I sell at market. I do love this market and ALL that goes with it.

I'd like to part of the SM board to work with the new staff and the Board, to be part of their well oiled machine, their work ethic and their incredible focus on our market.

I believe that I can be an asset to the Board, bringing my ingenuity, my creativity, my humor and my intellect to the table. Being part of this board is a great experience and I hope that you will see fit to vote for me.

Thank you, Anna
