

## 2020 Art and Craft Member Parameters for Opening

These guidelines are in accordance with the CDC, Oregon Health Authority and State and local mandates and the Oregon Farmers Markets Association guidelines

### **Required of Members:**

Market staff and Members **MUST** wear cloth, paper, disposable face coverings or face shields. Market will provide these for staff, while Members must provide these for anyone working their booths (per Gov. Brown order 5-15-2020)

Every booth must have a "Social Distancing Officer," this is you, the member. If asked if you are the Social Distancing Officer you must reply YES. As the Social Distancing Officer of your booth, you must manage your line and make sure customers are keeping 6' distance from you and other customers.

Place sign that says "6' Social Distancing Required" - market will provide

Only one member may be present in the booth – no sharing allowed; Only one member of your immediate household may be in the booth with you

Personal Services Members such as masseuses and face painters, etc, are **NOT** allowed at market for the time being and until further notice (per Gov. Brown order 5-15-2020)

Don't allow customers into your booth, if possible; If not, then only one customer inside booth at a time

No Strolling will be allowed

No Food Samples are allowed to be given out

Have hand sanitizer in your booth for your use

If a customer touches your terminal, sanitize after each use

All Reserve Members must declare their attendance via email or telephone by 2pm every Wednesday for that Saturday. This deadline will be strictly enforced.

### **Optional for Members:**

Place sign that says "Do Not Touch Merchandise" – market will provide

Place sign that says "Please wear a face mask" – market will provide

Wear gloves

Move merchandise to the front of your booth

Consider covering merchandise with clear plastic or glass to prevent touching and easy cleaning

Sidewalls are highly recommended

Limit the exchange of cash; try and use touchless credit card processing and no signature required technology; Round purchase price to the nearest dollar to limit the amount of coins and cash changing hands per transaction.
