The Members of Saturday Market welcome buskers/street performers to the Marketplace.

Here are a few guidelines that we ask you to respect:

- **You are welcome to perform many places around the Market and to collect donations for your work.** You are also permitted to sell any recorded material which you have produced and performed. **Hawking (offering goods for sale by calling out loudly) is not permitted on the Park Blocks.**

- **We request that your performances do not interfere with our members’ ability to sell.** The ultimate success of Saturday Market depends upon the financial success of its members. If your performance does not work well with the neighborhood, we reserve the right to ask you to stop and/or move. We also request that you be considerate of the performers on the Market stage and of other street performers.

- **We cannot accommodate drummers.** The nature of a drum is that it is inherently amplified resulting in too loud a sound for the Market.

- **Please help us keep sidewalks and passages free for pedestrian traffic.** If your audience blocks the sidewalks, please stop your performance and find a new location. There are a few areas that work pretty well and we have circled them on the map on the back. We have found that bands draw too much of a crowd to perform at the corner of 8th and Oak. We ask that only one person perform there. Do not use the benches for performances; they are for customers’ use. The Fountain Plaza west of the fountain on the west block is not a performance area. Please do not perform in this area.

- **We request that you move to a new location every 30 minutes.** This accomplishes a couple of things. It allows fair use of all areas by all street performers and it is considerate of our vendors who have to stay in the same location whether they like what you are doing or not.

- **No smoking.** This is our work place and a smoke-free marketplace. We require our vendors to step out of the market if they must smoke. We also require this of our performers.

- **We would appreciate it if you would donate 10% of your take to the Market each week.** You can do this at the information booth. It costs approximately $7,200 a week to put the Market on and get all these people to keep coming to this event. We pay rent to the city, recycling and garbage, security, insurance, promotions, advertising, etc., etc. Our members pay $13 plus 10% for their selling spaces and we feel that it is not too much to ask you to volunteer your help paying for ever increasing costs.

- **Please do not use any electrical amplification.** Park rules prohibit it without a permit and we think that amplification anywhere but on the Market Stage would interfere with our event.

- **No dogs.** Unfortunately, dogs or any other pets are not permitted on the Park Blocks. (If you bring a service dog, we sincerely request that your animal be marked with a collar or harness so that it is apparent that your dog is “on the job” to assist you.)

- **If you are interested in performing on the Market Stage,** please bring a recording by our office at 30 E. Broadway, Suite 124 (Tue-Fri, 10-4) and give it to Jimmy Haggard. You can also email him at jimmy@eugenesaturdaymarket.org with a link to a ReverbNation page, a Facebook page or other sample of your work. The stage is usually booked about three months in advance.

- If you need any assistance or have any questions, please let us know by going to the information booth.

Thank you for your participation in the Saturday Market.

Kirsten Bolton, Saturday Market General Manager
Butterfly Lot
Vendor Parking

Performing permitted in circled areas only
No performing in areas marked X
